

The grotto houses a statue of Our Lady of Lourdes.  
(For information on the apparition of Our Lady of Lourdes visit [en.lourdes-france.org](http://en.lourdes-france.org)).

The grotto was erected in November, 2003.

By 2014 it was time to give Our Lady a 'face lift'.

Visit during the day.

Or at night.

Our thanks to all the volunteers who helped restore the grotto.
