Note 1. On all weekends in March except for Palm Sunday, March 27-28, the readings at each Mass are to be those for Year A, which readings are found in the Year C Reader workbook. For clarification: on the 3rd, 4th and 5th Sundays of Lent, the Vigil Mass and the Sunday Masses, the readings at each Mass will be those for Year A in support of the parish RCIA initiatives.

All Ministers:

On Holy Thursday, April 1, and the Saturday Easter Vigil, April 3, Masses will be in the evening after dark, 7:00pm and 8:00pm respectively. It would be helpful for all of us if those ministers planning to attend either or both of the aforementioned services would indicate their intentions in the Availability Binders or advise the scheduler on or before 14 March. With respect to the 3:00pm Good Friday afternoon liturgy, April 2, and the Sunrise Mass on Easter Sunday, April 4, please do the same. With the information provided, the scheduler can best serve the needs of the clergy, the parishioners, and the liturgical ministers.
