**Note 1. Reader's Workshop**, Saturday, February 18<sup>th</sup>, 9am-12 noon in St. John's hall. All Lay Readers are asked to attend.

**Note 2.** When locking the church, always verify that the top and bottom latches of the front door without the key latch are properly engaged. A useful test involves pulling on the supposed locked doors to verify that they do not start to swing out toward the person pulling on them. If they do start to swing out or open the alarm will be triggered.

**Ministers Distributing Ashes:**

The current admonition when administering the ashes is either of the following:

1. Repent, and believe in the Gospel.
2. Remember that you are dust, and to dust you shall return.

**New Sacristan Information:**

At wedding and baptism ceremonies, whether or not associated with a Mass, Ann Marie Benzinger will normally gather the appropriate sacramentals and other supplies peculiar to the aforementioned sacraments. She will assist the priest/deacon during the marriage or baptism. A sacristan, if scheduled for the Mass, need not be concerned with the included sacrament and its requirements but should fulfill the usual sacristan role. It could be beneficial, if the scheduled sacristans observed and became familiar with the additional sacramentals, supplies and roles which wedding and baptism ceremonies add to the liturgy, in the event that Ann Marie would be unavailable to serve.
